4de oplossing - L-vorm
3th solution - L-shape

- * Volgende oplossing is slim. Je dient 4 maal een L-vorm te gebruiken om een huis-vorm te krijgen. Breek dan dit huis af met een 6-posities-zet.
- * The following solution is clever. You must use the L-move 4 times and get the house figure. Then you take down this figure with a 6-jump move.
