

# Hlavin<sup>®</sup>

Industries Ltd.

*Development, Production and Marketing of Cosmetic Products*

## COMPANY PROFILE

**Hlavin Industries** is one of Israel's leading cosmetics exporters, specializing in the development and production of: cosmeceuticals, wellness-SPA and professional cosmetic products, containing active natural ingredients.

**Hlavin**, a GMP and ISO 9001:2008 manufacturer, combines-state-of-the-art technology, highly sophisticated, patented ingredients, extremely rich concentrations of active plant extracts and proven popular folk remedies to produce uniquely effective skin care solutions.

The company established in 1974 exports its products to over twenty countries throughout the world. Hlavin specializes in the production of niche products, formulated to fill specific market needs. Leading the company's product lines is **Lavilin**, healthy, long-lasting deodorants, aluminum, alcohol and paraben-free.
